COMMENTS: This Hummer is Absolutely Spotless, Showroom Condition, it is like it just got unwrapped for the first time today. Brought up from the States but owned locally since 2008. Owned by a car collector and well taken care of. It has the 6.0L 8 Cylinder Gas Engine that is supercharged with a Magna Charger. The customer suspension allows this giant to turn on a dime and is solid and smooth on the road compared to the stock Hummer. This Hummer is decked from Head to Toe and even has a custom bench in the 3rd row.
