COMMENTS: The 2018 Rogue is Nissan's mid-size SUV that's a little more versatile in terms of "in-town" practicality and fuel mileage than the Murano and comes smaller and more convenient than the Pathfinder and Armada. The SL model shown here comes with a loaded interior with great premium features like a handy back-up camera w/birds-eye 360 view, a touchscreen navigation interface, moonroof, Bluetooth, a USB port for device charging/connecting, blind spot monitor, and a heated steering wheel! As a matter of fuel efficiency, the Rogue also beats out it's larger Nissan brethren and many competitor models with an EPA rating of 33 MPG on the highway with it's fuel efficient 2.5L four cylinder...
