COMMENTS: Volkswagens best selling model comes better than ever in 2017! The Alltrack comes in the wagon body style and with all-wheel drive. SE versions come with alloy wheels, Bluetooth and a revamped touchscreen interface. The SE also offers a back-up camera and heated leatherette upholstered seats, as well as rear air vents and classy looking brushed aluminum trim combining to create a very clean and modern interior feel. For a turbocharged hatch car that has an interior quality level that rivals that of Audi and gets 30 MPG this one is hard to beat!

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner....
