COMMENTS: Kia continues to step-up their game, and the Stinger GT2 is yet more evidence that they deserve to be seriously considered by savvy shoppers and luxury seekers. The engine available for this GT2 is a stout 365-hp 3.3 liter six cylinder turbo engine mated to an eight-speed automatic transmission with rear-wheel drive that gets up to 25 MPG on the highway. Kia has absolutely jammed the interior with the most excellent and practical features the auto industry has to offer and managed to do so without making it too busy or compromising user friendliness. Features include a large touchscreen navigation interface, moonroof, a premium sound system by Harman/Kardon, back-up camera w/sonar...
