COMMENTS: Volkswagen's Passat is for those looking for a sedan that exemplifies style, efficiency and practicality. The 2016 SEL premium is just that, loaded with great options like Fender's Premium audio system, a touchscreen media interface with navigation, remote start, moonroof and Bluetooth to name a few. This Passat is built with 3.6L V6 engine that puts out 280 HP. The Passat accommodates 5 adult size people comfortably, with rear air conditioning/heater vents and plenty of leg room, as well as an extremely cavernous trunk! We have a wide variety of Jetta and Passat to choose from- on site at Lesueur Car Co, come in to see the full inventory today. ...
