**COMMENTS:** In previous years, the A3 was produced in hatchback, but beginning with the 2015 model, it will now come in sedan only. This particular A3 comes as a diesel (TDI) in the Premium Plus trim, which translates to excellent fuel economy and a lot of great extras on the factory installed options list, such as a pop-up LCD display mounted mid-dash, navigation, Bluetooth, moonroof and heated seats. It's 2.0L turbocharged diesel engine comes paired with 6-speed S-tronic shifttable transmission to achieve an impressive 43 MPG highway and 31 in town.
