**COMMENTS:** Volkswagens best selling model comes better than ever in 2018! This golf wagon looks just like the old jetta wagons. TSI versions come with a body kit, alloy wheels, Bluetooth and a revamped touchscreen interface. The SE also offers a back-up camera, blind spot monitor, bluetooth and leatherette upholstered seats, as well as rear air vents and classy looking brushed aluminum trim combining to create a very clean and modern interior feel. For a turbocharged hatch car that has an interior quality level that rivals that of Audi and gets 33 MPG this one is hard to beat!

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner....
