COMMENTS: The 2017 Volkswagen e-Golf is an all-new electric car based on the recently redesigned VW Golf hatchback. VW built the four-door e-Golf to be a premium offering in the growing class of compact EVs. Depending on your driving style you can get up to 125 miles on a full charge! This E-Golf comes equipped with a back-up camera, navigation, and bluetooth. The SEL Premium package adds a leatherette interior and keyless entry/start. Come check out this highly rated electric car today!

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner. Despite having resolved the issue, the manufacturer stepped in to promote customer satisfaction or to comply with local laws and repurchased the vehicle. As a result, this vehicle is known as a manufacturer buyback. ***VERY IMPORTANT*** ALL regular warranties remain intact with this vehicle, and extended warranties...

Taxes, license, and document/administration fee may apply.
Confirm all details and specifications with the dealer.
