COMMENTS: Here is one of our Go-To choices when asked for an affordable, economical and practical solution for your vehicle needs: the 2017 Nissan Sentra SR Turbo. Being so similar to its sister model, the Altima, it is not uncommon to hear of the Sentra referred to as the "small-tima", but simplified and improved in areas such as interior features and fuel efficiency. The Sentra gets an impressive 33 MPG on the highway with its four cylinder 1.6L turbocharged engine. Inside, Nissan offers sensible features like AM/FM radio, CD player, auxiliary audio input, back-up camera, heated seats, power windows and locks as well as sport mode. Come see what we can offer you today!...
