COMMENTS: The 2017 Rogue Hybrid is Nissan's mid-size SUV that's a little more versatile in terms of "in-town" practicality and fuel mileage than the Murano and comes smaller and more convenient than the Pathfinder and Armada. The SV model shown here comes with a loaded interior with great premium features like a handy back-up camera, a touchscreen interface, Bluetooth, a USB port for device charging/connecting, blind spot monitor, and heated seats! As a matter of fuel efficiency, the Rogue also beats out it's larger Nissan brethren and many competitor models with an EPA rating of 35 MPG on the highway with it's fuel efficient 2.0L four cylinder hybrid engine. We have multiple low mileage, excellent condition...
