**COMMENTS:** Volkswagen's GLI is the sport version of the popular Jetta model with upgrades like a 2.0L turbocharged engine, more aggressive sport suspension, a redesigned body kit and a few more high-end interior extras than the regular base model Jetta. Features include a back-up camera, moonroof, a premium audio system by Fender, and heated seats. The GLI is a lot of fun to drive, with 210 HP turbocharged four cylinder to scoot you along and a fun-to-drive automatic 6-speed transmission which combine to get a suprisingly economical 32 MPG. Enjoy performance without compromising fuel economy; save gas without compromising style! ...
