**COMMENTS:** This unit equipped with the Summit package. An Apex Travel Trailer does not just start off as a frame, walls and roofs it begins with an idea! Our belief is that getting the little things right is a BIG THING! The Apex is not like other lightweight trailers it is much smarter because we set new, higher standards for this innovative, truly lightweight trailer. What makes an Apex smarter? Quality Lightweight Innovation Eco-friendly Design. Each and every Apex model must achieve high scores in each of these standards in order to earn the Apex seal of approval. Our rating system is gathered and driven by the end user you the customer in order to produce a quality and most customer friendly lightweight trailer on the market! Coachmen RV uses Azdel Composite Panels to replace wood in the RV sidewalls. Azdel Panels are constructed using a blend of polypropylene and fiberglass, creating an extremely strong and lightweight wall. ...
