COMMENTS: The seamless aluminium roof is built in a single piece of curved Alufiber/aluminium sandwich panel. Its generous interior clearance provides easily accessible ample storage. It comes with a large private shower/toilet cabinet. With its exterior height of 95 inches (2.5 m), the F series Alto will fit under an 8-foot garage door. Using the streamlined shape of the R-series roof, the new F series retains its aerodynamic properties and remains easily towable by most compact cars or small SUVs. A simpler design means a lower purchase price.
