COMMENTS: Kia put itself on the map in 2010 with a newly redesigned Optima model that really turned some heads, and kept people asking, "Is that a KIA?" Ever since, the Optima model has continued to impress with success the American market, excelling in performance, fuel economy, and interiors packed with features you'll wonder how you ever did without. For this particular 2017 SX model, you get an attractive touchscreen navigation/media interface, back-up camera, power folding mirrors, panoramic moonroof, a premium sound system by Harman/Kardon, and an Arizona favorite feature: Cooled air ventilated leather seating (front). This Optima really makes a difference at the pump, getting up to 31 MPG on...
