COMMENTS: The 2018 BMW i3 comes with a bigger electric battery than past models, giving it more range than ever before! This one you can expect to get 114 miles on electric only! Not bad! It also features a back-up camera, heated seats and bluetooth!

This vehicle was repurchased by the manufacturer due to a complaint from the previous owner. Despite having resolved the issue, the manufacturer stepped in to promote customer satisfaction or to comply with local laws and repurchased the vehicle. As a result, this vehicle is known as a manufacturer buyback. ***VERY IMPORTANT*** ALL regular warranties remain intact with this vehicle, and extended warranties are also available. The car has NO existing problems and all complaints have been resolved.
