COMMENTS: This is our 2017 Volkswagen Tiguan Wolfsburg Edition, which is essentially the little brother to the larger full-size Touareg model, with more emphasis on performance and handling and is much more compact. In one word, the Tiguan is "sporty"! The trim shown here comes equipped with Bluetooth for phone connectivity, a back-up camera and a user friendly touchscreen interface. Built with a 2.0L turbocharged engine paired to a 6 speed automatic transmission in front wheel drive, this small SUV can get up to 24 MPG highway. Buying here at our dealership means getting the best possible price and no city sales tax from a family owned and operated company, serving Tempe and Phoenix for over 40 years!...
