**COMMENTS:** With two convenient entries, you're bound to have a lot of visitors and for good reason. At a lean 4930 pounds, this is a lot of trailer for its size! Through the aft door you have what is the equivalent of a great room. The large corner galley has two windows for an expansive view and the "Super Slide" dinette is opposite a full-size sofa bed.

The entire space is conveniently situated for viewing the centralized entertainment center. Forward is a private bedroom with bath, vanity, walk-around queen-sized bed and a second entry door. The 2285 is designed to bring people together. Just find your favorite spot and set up camp. You'll never want to go back to civilization!

Prices are plus taxes, license, and a documentation fee.
