COMMENTS: The 2017 Rogue S is Nissan's mid-size SUV that's a little more versatile in terms of "in-town" practicality and fuel mileage than the Murano and comes smaller and more convenient than the Pathfinder and Armada. This model comes equipped with a back-up camera, Bluetooth phone connectivity, all wheel drive, and more! As a matter of fuel efficiency, the Rogue also beats out it's larger Nissan brethren at a modest 32 MPG highway. We have multiple Nissan sport utilities to choose from and many other makes as well, and on our county island location, pay no city sales tax!
