COMMENTS: This is our 2018 Volkswagen Tiguan SEL Premium, which is essentially the little brother to the larger full-size Touareg model, with more emphasis on performance and handling and is much more compact. In one word, the Tiguan is "sporty"! The SEL trim is the fancy schmancy package with all the bells and whistles, including a premium audio system by Fender, full length panoramic moonroof, Bluetooth for phone connectivity, back-up camera, and a user friendly touchscreen navigation interface. Built with a 2.0L turbocharged engine paired to a 8 speed automatic transmission in front wheel drive, this small SUV can get up to 27MPG highway. Buying here at our dealership means getting the best...
