COMMENTS: AS LIGHT AS A BUBBLE

You'll always have a front row seat to enjoy nature with the excellent maneuverability provided by the HELIO O Series, the lightest Trailer on the market (from 1135 lbs). This feather weight is easy to position at the heart of the action, and can be towed by most compact cars and SUVs. Thanks to your HELIO travel trailer, you're ready for adventure anytime with substantial fuel savings to boot!

The HELIO O3 is extremely versatile with its layout for up to 3 people. The large rear Queen bed (65 x 74) sleeps 2 people and a front dining table for 2 transforms into a single bed for one person. A fixed toilet is located under the front bench. An outdoor shower is mounted on the side of the trailer. Comfort comes standard on the HELIO O2, a kitchenette with two burners and a sink, ventilation with temperature control, etc. ...
