**COMMENTS:** The Lexus RX 450h hybrid crossover SUV allows the hedonist with an environmental conscience to have it both ways. It has enough power to press passengers back into their plush leather seats (295 HP), yet it also flies the green flag at full mast thanks to impressive fuel mileage (up to 31mpg in town). This 2017 comes equipped with excellent premium features you've come to expect from Lexus, such as remote-touch interface, genuine bamboo accent trim, back-up camera with proximity sonar, power lift gate, Blind Spot Monitor, power folding mirrors, universal garage door opener, various safety features, and more.
