WARRANTY: See dealer for details.

COMMENTS: This 2013 BMW M3 has been kept in absolutely amazing condition inside and out, with very low KM for a 2013 model and adds the extra thrill of the hard top convertible. Powered by the 4.0L V8 engine giving you 414 HP, and all controlled with the 6 speed manual transmission. Plus we've given this M3 a full detailing, fresh oil change and servicing, & put it through a complete AMVIC mechanical fitness inspection to ensure everything is working perfectly!

Very nicely equipped with the luxury features you'd expect from a BMW including the all leather seats with heated front seats, memory drivers seat, push button start with proximity locking/unlocking so the key never has to leave your pocket, dual zone climate control, built in navigation system, easy to maneuver dial system for the multimedia system, bluetooth phone pairing, & wheel mounted audio & cruise controls....

Taxes, license, and document/administration fee may apply.
Confirm all details and specifications with the dealer.
