**COMMENTS:** The 2017 Rogue is Nissan's mid-size SUV that's a little more versatile in terms of "in-town" practicality and fuel mileage than the Murano and comes smaller and more convenient than the Pathfinder and Armada. The SL model shown here comes with a loaded interior with great premium features like a handy back-up camera w/birds-eye 360 view, a touchscreen navigation interface, dual moonroof, Bluetooth, a USB port for device charging/connecting, blind spot monitor, power lift gate, and a heated steering wheel! As a matter of fuel efficiency, the Rogue also beats out it's larger Nissan brethren and many competitor models with a rating of 33 MPG on the highway with it's fuel efficient 2.5L...
