COMMENTS: Volkswagen's latest sedan, the new Arteon inherits its name from the latin word "artem" which means art. Art is the perfect name for this car as it portrays beauty in every aspect, but more so in its gorgeous frame. This car definitely will draw stares as it smoothly and aerodynamically cuts through air. The Arteon comes equipped with a back-up camera, 3D surroundings, 700-watt Dynaudio sound system, apple carplay, massage seats, moonroof, heated steering wheel, all wheel drive, and adaptive cruise control. With its 2.0L four cylinder engine the Arteon also gets 27 mpg on the highway. Come check this car out at LeSueur Car Co, today!
