COMMENTS: This 2013 Mazda3 is featured in the very nice GS Sky trim level to give you all your driving essentials combined with it's incredible 2.0L Sky Active engine. The absolutely best combination of power and fuel efficiency in it's class in 2013, and a thrill to drive with it's 6 speed manual transmission. Very fuctional hatchback with a ton of cargo room. Alberta vehicle with only one previous owner and a completely accident and damage free history with the full Carfax vehicle history report available. Plus we've given this Mazda3 a full detailing, fresh oil change and servicing, & put it through a complete AMVIC mechanical fitness inspection.
