COMMENTS: When it comes to crossovers and small sport utilities, we have a plethora of brands to choose from as it seems EVERY car-maker has a competitor out there. Mazda's CX-5 is among the sharpest looking and the sharpest handling available, with all new interior components and MPG's in the mid 30s, which are convincing factors to consider if you're in the market! This grand touring model comes with all the bells and whistles which list a touchscreen interface, premium audio system by Bose, power moonroof, heated leather seats, back-up camera, rain sensing wipers, blind spot monitor and more.
