**COMMENTS:** Practical and functional is the new 2018 Rav4 LE, with all the durability you'd expect, and the reliable reputation that comes with any quality Toyota. These new ones lost their trademark side-hinged rear gate and spare-tire carrier. (Don't worry, there's still a spare under the cargo area.) Options for this model shown here include a touchscreen media interface, back-up camera, Bluetooth and sport/eco modes and tons more! Come check out this, and the rest of our large inventory today!
