COMMENTS: This 2015 Volkswagen Tiguan is an exceptional small SUV that offers far more power than most in its class with its 2.0L turbo charged engine, and comes with a ton of great features. Kept in really nice condition inside and out, no major damage anywhere to be found with fairly low KM for a 2015 model. Plus we've given this Tiguan a full detailing, fresh oil change and servicing, & put it through a complete AMVIC mechanical fitness inspection to ensure everything is working perfectly!

Very nicely equipped too coming including with:
- Push button start with proximity locking/unlocking
- Rearview camera...
