COMMENTS: Acura's SUV line-up has a range of styles and sizes; one of the most well rounded, and most practical of their selection is the 2019 RDX. This is a great option for those who love the versatility of the outdoorsy Honda CR-V, but enjoy a luxurious, sporty ride in the city where the bulk of the miles on the odometer are logged. On the highway, the RDX gets up to 26 MPG on the highway and comes in all wheel drive. A few of it's features include back-up camera, Bluetooth, heated AND cooled front seats, navigation, apple carplay, various drive modes, lane keep assist, adaptive cruise control, blind spot monitor, premium sound system, park sensors, smart key, panoramic moonroof and universal garage door...
