While its main attraction is its versatility and usability, while also having the highest capacity for towing and hauling in its class, there are moments where this F-150 is downright luxurious and infinitely more comfortable than any other vehicle out there, giving you the ease of seemingly limitless power and the ride height to tackle almost every off road track out there. This silver spruce crew cab 4X4 pickup has a 6 speed auto transmission and is powered by a 325HP 2.7L V6 Cylinder Engine. Our F-150's trim level is XLT. This XLT F-150 takes it up a notch with aluminum...
