COMMENTS: The 2019 Audi e-tron Prestige ladies and gentlemen! Behold! This Antigua blue automobile is filled to the brim with every comfort feature in and out of the book! Of course it comes with some of the standard high class SUV gadgets and gizmos like navigation, cooled front seats, apple carplay, back-up cam, HomeLink garage transmitter, top view 360 degree cameras, seat memory, rear heated seats, heads-up display, etc. But this Audi exceeds the competition with a variety of over the top features including seat massage (with three different massage modes), fragrance emitter (with two different scents), a large variety of drive modes, dashboard screen, and more. This all wheel drive electric will be your flagship as you cruise around getting a range of about 204 miles with a 74 city / 73 highway combined MPGe. Come for a free test drive and check out the rest of our plethora of Audi models at LeSueur Car Company today! ...
