COMMENTS: This 2013 Nissan Rogue has fairly low KM for a 2013 model and very nicely equipped with some great features to go along with its terrific all wheel drive performance. Kept in nice condition inside and out, no major damage only small wear & tear. Alberta vehicle with only one previous owner and an accident free history with the full Carfax vehicle history report available. Plus we've given it a full detailing, fresh oil change and servicing, & put it through a complete AMVIC mechanical fitness inspection to ensure everything is working perfectly!
