**COMMENTS:** Many consider the Highlander to be the most versatile and practical of the available Toyota SUV models, being right in the middle in terms of size between the largest Sequoia and Land Rover, and the smaller Rav4, Venza and 4runner. This is the Limited Platinum package, which means it comes even MORE LOADED with awesome features that you'll use on the daily, and eventually come so accustomed to that you'll wonder how you got by without them before! A few highlight features for the 2018 Highlander include a touchscreen interface. Other features include power moonroof, power liftgate, proximity smart key, heated/cooled seats, blind spot monitor, Bluetooth, and a back-up camera. With the Limited...
