- Stability Control
- Traction Control

COMMENTS: This is our 2018 Volkswagen Tiguan, which is the little brother to the larger full size Atlas model, with more emphasis on performance and handling and is much more compact. In one word, the Tiguan is "sporty". The S trim is the most economic package, and includes Apple Carplay/Android Auto, back-up camera, power accessories, rear air vents and 3rd row seating. Built with a 2.0L turbocharged engine paired to an 8 speed automatic transmission in front wheel drive, this small SUV can get up to 27 MPG highway. All 2018 and newer Volkswagens come with the remainder of an outstanding 6 year/72000 mile bumper to bumper and powertrain warranty! Buying here at our dealership means...

CITY MPG

22

HWY MPG

27

Actual mileage varies by options, vehicle condition, and driving conditions and habits

Taxes, license, and document/administration fee may apply.
Confirm all details and specifications with the dealer.
