COMMENTS: No Accidents.

Need an office at your construction site that will pack 5 to 6 guys from job to job? Packing diesel for equipment? This 2018 Chevrolet Silverado 3500HD is a heavy-duty truck with a refined demeanor and laudable towing capability. The 3500HD is Chevy's most capable non-commercial truck in the lineup, yet it keeps many of the same styling cues and overall virtues found in the regular Silverado 1500. Who says you can't get it dirty and still have a nice looking truck?

Please call 1-877-474-9984 for more information before this truck disappears on you. Don't forget to ask about our out of town buyers program.

Prices are plus taxes, license and a \$494 administration fee.
Confirm all details and specifications with the dealer.
