COMMENTS: No Accidents

This Jetta traditionally represents a comfortable roomy compact sedan fitting somewhere in between Japanese compact sedans and entry level German luxury. For safety it comes with standard traction and stability control, front side airbags, side curtain airbags and active front head restraints. All Jettas have antilock brakes with brake assist. Standard features are generous and it has a very roomy interior for this segment.

Please call 1-877-474-9984 for more information. Don't forget to ask about our out of town buyers program.
