COMMENTS: ARRIVING SEPT 2021!

Our most spacious Nano in the lineup. This floorplan has both a sofa and dinette with great separation to the bedroom. Another dual axle trailer that only weighs 4,000 lb. You have to see this one for yourselves.

An Apex Travel Trailer does not just start off as a frame, walls and roofs it begins with an idea! Our belief is that getting the little things right is a BIG THING! The Apex is not like other lightweight trailers it is much smarter because we set new, higher standards for this innovative, truly lightweight trailer.

What makes an Apex smarter? Quality - Lightweight - Innovation - Eco-friendly Design.
