The 1985 features an open, spacious interior. At just 4245 pounds it's an easy tow for a larger SUV or pickup*. The 1985 features a full-width aft bathroom. And facing the entire living space is a conveniently placed entertainment center. So wherever you are seated - in the "Super Slide" dinette, on the bed, or if you opt for the convertible sofa-bed - every seat is the best seat in the house.

The 1985 brings forward its solid construction that is typical Lance and now adds an incredible designer decor including new fabric choices, rich woods, stunning laminates and all new flooring. If you're looking for versatility in a medium sized package - you've found your personal, private oasis.
