COMMENTS: Flagstaff Micro Lite Travel Trailers

TOWING A TRAILER DOESN'T REQUIRE A TRUCK ANYMORE. When towing size and weight are your focus, you will find that these specially designed Micro Lite models offer flexible floor plans that provide you with more comfort and amenities than you would expect all within the towing capacity of many SUVs.

This revised floorplan features wide open living space and a drop frame for large front pass through storage. The baggage door on the front pass through is 30 by 24 which will accommodate all your camping accessories. The floor space in this unit caters to pet-friendly campers with room for kennels and large animal sleeping areas. If you and your pet want to cuddle up next to a nice warm fireplace with some family members on the theater seating, this is the unit for you.

Prices are plus taxes, license, and a documentation fee.
