COMMENTS: Many consider the Highlander to be the most versatile and practical of the available Toyota SUV models, being right in the middle in terms of size between the largest Sequoia and Land Rover, and the smaller Rav4, Venza and 4runner. This is the XLE package, which means it comes LOADED with awesome features that you'll use on the daily, and eventually come so accustomed to that you'll wonder how you got by before them before! A few highlight features for the 2018 Highlander include a touchscreen interface, a power moonroof, power liftgate, proximity smart key, heated seats, blind spot monitor, Bluetooth, back-up camera and more. ...
