COMMENTS: ARRIVING OCT/NOV 2021

Downsizing, simplification, micro-homes, it's all the rage these days! We are happy to report this compact 14' "rage" is a result of customer input on what you wanted to see in our next sub 15' floor plan. Ultra-light weight and 100% Lance DNA and no dinette! "We like to eat outside or while sitting in our lounge chairs and would rather have two comfortable chairs and a nice size dry bath", so that's what we designed! Now with an available sofa bed slide out option featuring kick-out foot rests and two swivel tables, you have even more flexibility when it comes time to relax and "take a load off!"

So hitch up Lance's latest adventure machine behind almost any midsize tow vehicle with a 3,700K GVWR or more and we will see you on the road! ...
