COMMENTS: Local one owner 4x4 unit that is tidy and nice. Heated cloth seats with heated steering wheel and remote starter. Larger 3.2 V-6 engine with a 9 speed automatic transmission that does an average of 8 litres per hundred - so great on fuel. Aluminum 17" wheels, tinted rear windows, back up camera with bluetooth, inspected, and ready to go. We installed new tires, new brakes all the way around and completed repairing the rear suspension knuckles so the Jeep should give you years of service.

This unit has the Mopar Rustproofing applied when new and there is a lifetime warranty against rust - ask us for details....
