**COMMENTS:** One owner car that is great on fuel with the thifty 1.5 litre turbo engine and the CVT transmission, Navigation, lane sense, Heated front and heated rear seats, Collision Mitigation braking and Road Departure Mitigation, Auto dual zone temp control, Keyless entry with push button start, 3M on the front hood/fenders, A New car like this is around \$ 33,000 so save on this one owner that is in very nice shape.

Carfax shows a small glass claim that the previous owners hit a bird and claimed the repair through insurance.
