COMMENTS: This 2016 Chevrolet Silverado at Castlegar Hyundai is a clean, four-wheel drive truck with low mileage for the year and key features that will serve you well whether you're focused on work or play. It includes a 4.3L V6 engine for improved fuel economy, a six-speed transmission, cruise control, rear-bumper cornersteps for easy access to the box, power mirrors, and more. We added new tires to this Silverado and replaced the rear brake pads and rotors, among other items to ensure this truck is ready for its next owner.
