**COMMENTS:** This is our 2018 Volkswagen Tiguan SEL Premium, which is essentially the little brother to the larger full-size Atlas model, with more emphasis on performance and handling and is much more compact. In one word, the Tiguan is "sporty"! The SEL Premium trim is the fancy schmancy package with all the bells and whistles, including a full length panoramic moonroof, Bluetooth for phone connectivity, back-up camera, and a user friendly touchscreen navigation interface. Built with a 2.0L turbocharged engine paired to a 8 speed automatic transmission in front wheel drive, this small SUV can get up to 27 MPG highway. All 2018 and newer Volkswagens come with the remainder of an outstanding 6 year/72000..
