COMMENTS: The 2020 Q3 lies right in the middle of where a commuter, driving enthusiast, and mother of 3 might meet, with options, performance and equipment to satisfy all three parties. Brilliantly designed, the Audi Q3 is gorgeous inside and out, and seems to have been built with practicality and user friendliness in mind. This premium package comes with a lengthy panoramic moonroof, navigation, back-up camera, blind spot monitor, bluetooth, woodgrain interior trim and heated front seats. This Audi handles amazing with permanent "Quattro" all-wheel drive, is flawless, and has less than 3,000 miles- truly worth a look!

This vehicle was repurchased by the manufacturer..
