**COMMENTS:** Local one owner truck with higher km but in nice shape and not abused. Accident free, This one has the smaller 4.7 V-8, 4x4, the smaller quad cab with the 6'4" box. So decent on fuel and good for putting a quad in the box and closing the tailgate. Tube steps/ flaps and a soft box cover, Larger 120 litre fuel tank, Rear anti-spin axle with the trailer towing 3.92 gears which works great with this smaller V-8 engine.
