COMMENTS: This vehicle was repurchased by the manufacturer due to a complaint from the previous owner of the A/C not blowing cold. Despite having resolved the issue by replacing the rear evaporator, the manufacturer stepped in to promote customer satisfaction or to comply with local laws and repurchased the vehicle. As a result, this vehicle is known as a manufacturer buyback. ***VERY IMPORTANT*** ALL regular warranties remain intact with this vehicle, and extended warranties are also available. The car has NO existing problems and all complaints have been resolved.
