**COMMENTS:** Got space? If you're buying a 2017 Nissan Sentra, the answer is an emphatic "yes!" This compact sedan stands out in its class by virtue of its uncommonly spacious interior, with a rear seat that rivals those of many midsize models in terms of head- and legroom. The same can be said of the Sentra's trunk, which offers nearly as much cargo capacity as those of some full-size sedans. Only at North Battleford Hyundai!
