**COMMENTS:** This vehicle was repurchased by the manufacturer due to a complaint from the previous owner of the battery not charging. Despite having resolved the issue by replacing the battery module, the manufacturer stepped in to promote customer satisfaction or to comply with local laws and repurchased the vehicle. As a result, this vehicle is known as a manufacturer buyback. **\*VERY IMPORTANT\*** ALL regular warranties remain intact with this vehicle, and extended warranties are also available. The car has NO existing problems and all complaints have been resolved.

The new 2021 Q5 Quattro lies right in the middle of where a commuter, driving enthusiast, and mother of 3 might meet, with options, performance and equipment to satisfy all three parties. Brilliantly designed, the Audi Q5 is gorgeous inside and out, and seems to have been built with practicality and user friendliness in mind. This Audi also is a plug...
